# THE CROWN KILLER STRIKES AGAIN

**D**UNWALL citizens express shock and fear as yet another outspoken critic of Empress Emily Kaldwin has met with a violent demise. The latest victim is none other than Ichabod Boyle, notable entrepreneur and supporter of the arts. Boyle recently wrote an opinion piece harshly criticizing the Empress for what he called her "slipshod style of governance" and her "willful neglect of duties."

Authorities are convinced the Crown Killer is the culprit, given the gruesome details left at the crime scene. As Her Majesty's most outspoken adversaries fall one by one to this notorious assassin, we boldly ask: Is it now the duty of the Royal Protector to murder of all who dare to criticize the throne?

Dunwall's troubles have multiplied of late, calling into question the very efficacy and intentions of our Empress. As evidence that Emily Kaldwin has forsaken us we need look no further than Rudshore Financial, more commonly called the Flooded District! Though recently drained, we dare not celebrate, as the area is still riddled with maintenance problems remaining from its time underwater!

Batnae municipium in Anthemusia conditum Macedonum manu priscorum ab Euphrate flumine brevi spatio disparatur, refertum mercatoribus opulentis, ubi annua sollemnitate prope Septembris initium mensis ad nudinas magna promiscuae fortunae convenit multitudo ad commercanda quae Indi mittunt et Seres aliaque plurima vehi terra marique consueta. Quanta autem vis amicitiae sit, ex hoc intellegi maxime potest, quod ex infinita societate generis humani, quam conciliavit ipsa natura, ita contracta res est et adducta in angustum ut omnis caritas aut inter duos aut inter paucos iungeretur. nEgo vero sic intellego, Patres conscripti, nos hoc tempore in provinciis decernendis perpetuae pacis habere oportere rationem. Nam quis hoc non sentit omnia alia esse nobis vacua ab omni periculo atque etiam suspitione belli?

With so many unable to find work, would this not be the perfect moment to unveil a grand scheme to restore this once-posh area? Alas, no further considerations have been proposed! Nor has the Empress submitted solutions for the current whale oil shortage, even as we endure rationing and discomfort. The picture of incompetent leadership is completed when you add to all this the periodic "accidental" citizen deaths at the hands of the Dunwall City Watch, all while Captain Mortimer Ramsey - appointed by our Empress - maintains the perfect innocence of those men and women in uniform who are supposed to protect us!

Quanta autem vis amicitiae sit, ex hoc intellegi maxime potest, quod ex infinita societate generis humani, quam conciliavit ipsa natura, ita contracta res est et adducta in angustum ut omnis caritas aut inter duos aut inter paucos iungeretur. Ego vero sic intellego, Patres conscripti, nos hoc tempore in provinciis decernendis perpetuae pacis habere oportere rationem. Nam quis hoc non sentit omnia alia esse nobis vacua ab omni periculo atque etiam suspitione belli?

## Catones, Galos

**B**AM in altera philosophiae. *Quaerendi ac disserendi*, quae logikh dicitur, iste vester plane, ut mihi quidem videtur, inermis ac nudus est, tollit definitiones, nihil de dividendo ac partiendo docet, non quo modo efficiatur conclusatur, quae ratio tradit, non qua via captiosa solvantur ambigua distinguantur ostendit; iudicia rerum in sensibus ponit; quibus si semel aliquid falsi pro vero probatum sit, sublatum esse omne iudicium veri et falsi putat.

Batnae municipium in Anthemusia conditum Macedonum manu priscorum ab Euphrate flumine brevi spatio disparatur, refertum mercatoribus opulentis, ubi annua sollemnitate prope Septembris initium mensis ad nudinas magna promiscuae fortunae convenit multitudo ad commercanda quae Indi mittunt et Seres aliaque plurima vehi terra marique consueta. Quanta autem vis amicitiae sit, ex hoc intellegi maxime potest, quod ex infinita societate generis humani, quam conciliavit ipsa natura, ita contracta res est et adducta in angustum ut omnis caritas aut inter duos aut inter paucos iungeretur. nEgo vero sic intellego, Patres conscripti, nos hoc tempore in provinciis decernendis perpetuae pacis habere oportere rationem. Nam quis hoc non sentit omnia alia esse nobis vacua ab omni periculo atque etiam suspitione belli?

Iam virtutem ex consuetudine vitae sermonisque nostri interpretemur nec eam, ut quidam docti, verborum magnificentia metiamur virosque bonos eos, qui habentur, numeremus, Paulos, Catones, Galos, Scipiones, Philos; his communis vita contenta est, nos autem omittamus, qui omnino nusquam reperiuntur.
